2011 Advocacy Day attendees on the steps of the Capitol

WRITE YOUR LEGISLATOR: *It's easy!*

The state's enormous deficit is a main focus this year at the capitol and neither party seems to have a road map to solve. The reality is that the arts are a tiny, tiny fraction of the state's budget. About 75% of the budget goes to fund education and health and human services. The decisions made about those areas will affect the outcome for the arts because they will dictate how much must be cut in the rest of the budget.

Minnesota Citizens for the Arts (MCA) is dedicated to empowering arts supporters throughout the state to become advocates for arts-friendly policy. Your input is important to your legislators, whether it be letters, meetings, phone calls or even a simple e-mail.

Send an e-mail to your legislators today using MCA's Desktop Lobbyist tool (www.mncitizensforthearts.org/actnow/). It will take less than a minute and all of the information you will need is provided including your legislators' names and contact information and optional talking points to help you compose your note!

If your arts organization got a Legacy grant from the Minnesota State Arts Board or Regional Arts Council, make sure to mention that to your legislators and talk about how important it has been to fund the arts in your area. Make sure your staff and board know how important the legacy grant has been to your organization. Make sure your local paper knows that too.

Your elected officials are your voice in government: let them know what you think!

Arts Census: BE COUNTED!

*Do you sing? Act? Dance? Write?
Draw? Paint? Sculpt? Photograph?
Weave? Play an instrument?
Compose?*

SMAHC, in partnership with the Minnesota State Arts Board, invites anyone who engages in a form of creative expression to participate in the MN Arts Count census.

No matter how well or how publicly you share your talents, be proud and be counted.

Go to www.MNArtsCount.com to complete the census. If you prefer, paper surveys are available by calling 800-748-3222 ext. 225.

Whether a personal or professional interest, arts are important to you - and to the quality of life in Minnesota. The Minnesota Legacy Amendment passed in 2008 helps support creative expression through grants dispersed by the Minnesota State Arts Board.

As part of dedicating funding to the arts from the Amendment, the state legislature has called for the Minnesota State Arts Board and the state's regional arts councils to conduct a census of artists and artistic organizations to measure the far-reaching influence of the arts in the state.

Please help us spread the word. Tell your friends to be counted, too.

Thank you!
